By motion filed April 8, 2019, employer informs the Board that the parties have resolved all pending issues in this case and moves that the Board remand the case to the Office of Workers' Compensation Programs for approval of their agreement. 33 U.S.C. §§908(i); 20 C.F.R. §§702.315, 702.241-243. Employer states that claimant consents to the motion.

We grant the motion to remand. Employer's appeal and claimant's cross-appeal are dismissed without prejudice, and the case is remanded to the district director for consideration of the parties' agreement. In the event the proposed agreement is not approved and the petitioner wishes review of the merits of his appeal or cross-appeal, the Board will reinstate the appeal or cross-appeal only upon the motion of the petitioner filed within 30 days of the disapproval of the agreement.
